

Questionnaire on our experience as librarians in teaching information literacy

1. How you would rate our support for students in their critical thinking about library resources?

- ☐ Excellent
- ☐ Very good
- ☐ Somehow good
- ☐ Slightly good
- ☐ Poor

2. Please can you expand on the above answer?

3. How do you think we could improve our support for students learning about library resources? Please can you elaborate on this. Do you have any tips for the sessions? Anything that you think works well or anything that did not work for you?

4. Please can you provide any further comments on the subject of this questionnaire?
